

IMU ACADEMIC BROCHURE 2023 - 2024

INDIAN MARITIME UNIVERSITY

(A Central University,
Ministry of Ports, Shipping and Waterways,
Government of India)
(Established by an Act of the Parliament in 2008)

Vice Chancellor's Message

India is endowed with 12 Major and 200+ Non-Major Ports situated along its 7500 km long coastline and a vast network of navigable waterways. The maritime sector plays a crucial role in the overall trade and growth, with 95% of the country's trade volume and 65% of the trade value being undertaken through sea transport. During the year 2020 the NITI Aayog of India unveiled "Blue Economy" initiatives to harness the full potential of Maritime / Ocean resources.

Blue Economy offers a high potential for next phase of growth, resources and job creation but with commensurate challenges. The Blue Economy policy advances a framework for participation of private sector and coastal communities, enhancing the application of science-based tools to ocean management, sustainable uses of oceans & coastal areas, and setting priorities.

Indian maritime sector plays a crucial role in the country's socio-economic growth. Globally, India ranks 2nd in ship recycling, 21st in ship building and 5th in supplying trained manpower to this sector. Maritime India Vision 2030 (MIV 2030), a blueprint for the coordinated and accelerated growth of Indian maritime sector, has been formulated by the Ministry of Port, Shipping and Waterways, Government of India with an objective of propelling India to the forefront of global maritime sector in the next decade. MIV 2030 outlines ten key themes, ranging from development of world class port infrastructure with well-co-ordinated multimodal transport chain to

enhancement of maritime education, research and training, which are essential for overhauling Indian maritime sector and place India in a global maritime leadership position.

These new prospects open up opportunities for young minds of India - like never before in the recent past - in myriad sub-domains of maritime sector. Be it a captain, engineer, ship builder, designer, port manager, logistics expert - an ocean of opportunity is beckoning the students who are capable and interested.

If hard work and adventure doesn't scare you, you are the right candidate to join us. IMU transforms raw energy and minds of young students into professionals fit for challenges posed by the oceans. IMU offers undergraduate, post-graduate and doctoral studies in maritime fields through its four schools spread over six IMU Campuses and its Affiliated Institutes across India. The courses offered are unique and tailor made to suit the industry needs. This fact is corroborated by a placement record which is among the best in the country.

I take great pleasure in presenting this Academic Brochure and invite you to a voyage of a fascinating career in the seas.

Dr. Malini V Shankar, IAS (Retd.)
Vice Chancellor
Indian Maritime University

1. Introduction

The Indian Maritime University (IMU) with Chennai as headquarters, was established on 14th November 2008 as a teaching-cum-affiliating university under the aegis of the Ministry of Shipping, Government of India. It was set up to promote maritime studies, training, research and extension with focus on emerging areas like oceanography, maritime history, maritime laws, maritime security, search and rescue, transportation of dangerous cargo, environmental studies and other related fields, and to achieve excellence in these areas. The oldest of the IMU Campuses i.e. IMU Navi Mumbai Campus was established in 1927.

IMU has affiliated institutes and its own campuses. 6 IMU Campuses in India are as follows:

i. IMU Navi Mumbai Campus (*Erstwhile Training Ship Chanakya, Navi Mumbai*)

ii. IMU Mumbai Port Campus (*Erstwhile the Lal Bahadur Shastri College of Advanced Maritime Studies & Research and the Marine Engineering Research Institute*)

iii. IMU Kolkata Campus (*Erstwhile Marine Engineering Research Institute and Indian Institute of Port Management*)

iv. IMU Visakhapatnam Campus (*Erstwhile The National Ship Design and Research Centre, Visakhapatnam*)

v. IMU Chennai Campus (*Erstwhile National Maritime Academy, Chennai*)

vi. IMU Kochi Campus

The list of 17 DGS approved Institutes affiliated to IMU is available at Page No. 16 as also in the IMU website.

IMU conducts a Common Entrance Test (IMU-CET) every year on All India basis for admissions to its courses for IMU campuses and Affiliated Institutes. As per DGS Training Circular 12 of 2020 dated 01.04.2020, all MTIs regulated by DG Shipping are required to admit candidates on the basis of IMU-CET making IMU-CET mandatory for admission to DGS approved Courses.

Hence Candidates seeking admission in Diploma in Nautical Science, B.Sc (Nautical Science) and B.E/B.Tech. (Marine Engineering) to any MTI (Govt. or Private-Affiliated to any University) are required to qualify in IMU-CET.

2. Programmes offered by IMU – A quick glance:

The following programmes are offered by the Indian Maritime University at its own Campuses and/or Affiliated Institutes

UG Programmes:

Sl.	Programme	Duration (In Years)	IMU Campus where Courses are offered	Primary Mode of Admission
1	B.Tech -Marine Engineering	4	Chennai, Kolkata & Mumbai Port	IMU-CET. (CUET students can take admission for residual seats after third list, refer details in Admission entry mechanism)
2	B.Tech - Naval Architecture & Ocean Engineering	4	Visakhapatnam	
3	B.Sc - Nautical Science	3	Chennai, Kochi & Navi Mumbai	
4	DNS (Diploma in Nautical Science)	1	Chennai & Navi Mumbai	
5	BBA - Logistics, Retailing and E-Commerce	3	Chennai & Kochi	CUET / 12 th marks. CUET candidates will be given preference in allotment.
6	Apprenticeship embedded BBA – Maritime Logistics	3	Visakhapatnam	
7	B.Sc – Ship Building & Repair	3	Offered only at IMU's Affiliated Institute - College of Ship Technology(CST), Palakkad.	As per entrance mechanism of the college

PG Programmes:

10. Details of Programmes offered by IMU (School wise)

IMU offers various UG programmes under the following Schools:

- A. School of Nautical Studies
- B. School of Marine Engineering & Technology
- C. School of Naval Architecture & Ocean Engineering
- D. School of Maritime Management

A.**School of Nautical Studies****UG Programmes:**

This School offers the following UG programmes in Nautical Sciences:

- A) 3-year B.Sc. (Nautical Science) – Conducted at IMU Chennai, Navi Mumbai and Kochi Campuses and in Affiliated Institutes
- B) 1 Year Diploma in Nautical Science (DNS) – Conducted at IMU Chennai and Navi Mumbai Campuses and in Affiliated Institutes. The Affiliated Institutes offer this course in 2 batches every year – August & February.

The global demand for Indian seafarers is a testimony to their competence and discipline. The syllabi of the courses are drawn up with a view to giving broad-based marine education, with special emphasis on fundamentals of marine subjects and practical aspects of profession.

All applicants to the UG programmes i.e. 1-year Diploma in Nautical Science (DNS) and 3-year B.Sc (Nautical Science) need to fulfil the guidelines of the Director-General of Shipping, Mumbai with regard to **physical fitness**. The prospective candidates are required to produce a medical fitness certificate in the prescribed format issued by a Medical Officer approved by Directorate General of Shipping. Please refer the page at:

<https://www.dgshipping.gov.in/Content/MaritimeHealthBranch.aspx> for details.

Only unmarried candidates are eligible to apply for DNS and B.Sc (Nautical Science).

It is strongly recommended that candidates seeking admission to the Marine Programmes have a Passport. Please note that the name in the Passport should be the same as given in the 10th Std. Certificate.

B. School of Marine Engineering and Technology**UG Programmes:**

This School offers the UG programme B.Tech.(Marine Engineering), a 4-year course that serves as a platform for quality training for students who aspire for a career in Marine Engineering. This course is offered at IMU Kolkata, Chennai and Mumbai Port Campuses and in select Affiliated Institutes.

All applicants to this UG programme need to clear their physical fitness test which is essential for admission as per DG Shipping Guidelines. The prospective candidates are required to produce a medical fitness certificate in the prescribed format issued by a Medical Officer approved by Directorate General of Shipping. Please refer the

page at:

<https://www.dgshipping.gov.in/Content/MaritimeHealthBranch.aspx> for details.

Only unmarried candidates are eligible to apply for these programmes. **It is strongly recommended that candidates seeking admission to the Marine Programmes have a Passport. Please note that the name in the Passport should be the same as given in the 10th Std. Certificate.**

PG Programmes:

This School offers the following PG Programmes:

- M.Tech in Marine Technology – conducted at Kolkata Campus.
- Post Graduate Diploma in Marine Engineering (PGDME) – conducted at Mumbai Port Campus.

In contemporary business world, the maritime industry faces numerous challenges while meeting multi—dimensional stakeholders’ demands. To meet these growing demands for maritime professionals and particularly, those who manage day-to-day activities in the shipping corporates, need to be equipped with relevant skills to strategically helm the affairs. Keeping the same in view a new programme - M.Tech (Marine Technology) has been introduced at IMU Kolkata Campus.

C. School of Naval Architecture and Ocean Engineering

UG Programmes:

The School offer the following UG Programmes:

- 4-year B. Tech (Naval Architecture and Ocean Engineering) at IMU Visakhapatnam Campus.
- 3-year B.Sc. (Ship Building & Repair) (*offered only at one Affiliated Institute*)

This School has carved out a niche for itself by offering high quality, industry perspective-based programmes which are only offered by very few institutions. Those interested in a career of Design and Construction of Ships & Offshore Structures, Ship Building and Ship Repair can opt for the programmes offered under this School.

PG Programmes:

This School offers the following PG programmes:

- M.Tech in Naval Architecture & Ocean Engineering – Conducted at IMU Visakhapatnam Campus
- M.Tech in Dredging & Harbour Engineering - Conducted at IMU Visakhapatnam Campus

The PG Programmes in Naval Architecture & Ocean Engineering and Dredging and Harbour Engineering are aimed at graduate engineers who wish to make a career in the area of Ocean Engineering, Ship Design and Production, in the Allied Industries like Dredging, Port and Harbour Engineering industries. There is, at present, tremendous growth in Indian Shipbuilding and offshore industry. Also, India has been found to be a profitable outsourcing hub for many external design/ consultancy organizations. Adequate number of qualified Naval Architects, Engineers and Shipbuilders are not available to take up this challenge. The present programme aims at producing engineers in the fields of maritime design and construction and dredging and harbour to fill this need on an immediate basis.

D. School of Maritime Management

UG (Management) Programmes:

IMU has introduced BBA (Logistics, Retailing and E-Commerce) Programme under this School from the Academic Year 2017-18 and Apprenticeship Embedded BBA Maritime Logistics from the Academic Year 2022-23.

- *BBA (Logistics, Retailing and e-Commerce) – Conducted at IMU Chennai and Kochi Campuses.*
- *Apprenticeship Embedded BBA (Maritime Logistics) – Conducted at IMU Visakhapatnam Campus and in one affiliated institute.*

The BBA programme has been designed in such a way that it fulfils the needs of industry and emphasize in exposing the students to real time activities of the corporate through industrial visits, seminars, conferences, and practicals.

PG (Management) Programmes:

The School of Maritime Management offers the following 2 PG programmes-

- MBA programme in Port & Shipping Management – Conducted at IMU Chennai and Kochi Campuses.
- MBA programme in International Transportation & Logistics Management – Conducted at IMU Chennai, Kochi, Kolkata and Visakhapatnam Campuses.

The general objective of the MBA programme in Port and Shipping Management is to ensure that after successfully completing this programme, the young students can obtain management positions in the shipping and port industry. Further, the students

are equipped to solve complicated management problems, having gained required knowledge and competency such as integrated multi-disciplinary professional knowledge of shipping and transport, at the highest academic level and skills to apply this knowledge on tactical and strategic level in the port and shipping industry.

The general objectives of the MBA programme in International Transportation and Logistics Management are to enable the students to have a detailed knowledge and understanding of both the operations and strategies of shipping as a single transport mode within the context of international multimodal logistics.

The course provides the students not only with a clear understanding of managerial subjects but also with an in-depth knowledge of the supply chain and logistics sector and the latest developments in transport management.

Some of the vital areas the students will be trained in to create awareness of- social responsibilities in shipping and transport, safety, security and protection of the environment, Leadership qualities, analytical skills, besides a strong research-oriented mind is also encouraged as essential components of the learning process.

11. Qualifying Examinations for admissions to UG Programmes:

The qualifying examinations are listed below and the candidates applying for UG Programmes should have passed one of these examinations:

15. Physical fitness & Medical Standards

A) **For courses:** (i) DNS (ii) B.Sc. (Nautical Science), (iii) B.Tech (Marine Engineering) & (iv) PGDME,

Candidates must be physically fit and should meet the medical requirements as specified by **Director General of Shipping, Mumbai and are required to produce certificate of medical fitness from a Doctor approved by Director General of Shipping.** Details can be seen at:

<https://www.dgshipping.gov.in/Content/MaritimeHealthBranch.aspx>.

For the above 4 Marine Programmes, the Eye Sight requirements are specified by the Directorate General of Shipping. All the candidates must meet these requirements and will have to produce certificate of eye sight from a Doctor approved by Director General of Shipping and hearing as prescribed in the Merchant Shipping (Medical Examination) Rules' 2000' as amended. The standards are already described in Chapter **3 – Detailed Description of Programmes in this Academic Brochure.**

The candidates are strongly advised that they should get themselves checked for physical & medical standards before applying and filling the preferences of courses as all DG approved courses require meeting fully the specified medical standards. In case of any candidate getting rejected on account of failing in medical standards, his fees will not be refunded, and his request for change of course will be accepted. Hence it is advised that the candidate should get his/her medical standards tested first before applying for counselling where he needs to fill the course choices. Candidates not meeting medical standards should not elect these four Marine courses as they would eventually be rejected at a later stage.

List of approved doctors for issuing the certificate is available at <http://www.dgshipping.gov.in/Content/MaritimeHealthBranch.aspx>.

B) For courses: Other than above four courses:

A physical fitness certificate issued by a Registered Medical Practitioner is required to be submitted at the time of admission, when selected.

Note: Candidates must satisfy themselves about their eligibility for admission. No Fee (non-refundable category) will be refunded on account of medical ineligibility.

16. Attendance Requirement for Students to appear in University Examination

All students of IMU must put in a minimum of 85% of attendance in order to appear in the End Semester Examinations (Theory and Practical) of the Indian Maritime University.

If a student has put in less than 85%, but above or equal to 75% of attendance, owing to reasons such as medical, bereavement or any other, the Campus Director / Principal is empowered to condone the shortage of attendance subject to the collection of the prescribed *Condonation Fee for Attendance*.

There will be no condonation of attendance below 75% under any circumstances whatsoever. A student who has put in less than 75% attendance will not be permitted to write the University's End Semester Examination and will not be permitted to move to the next semester.

Part time or distance learning or correspondence course or any combination of these shall not be considered.

General FAQs related to CUET/CMAT/MAT/CAT/GATE/PGCET

1	What are the programmes available in which I can apply after clearing CUET?
	Admissions to BBA programmes are through CUET. Admissions to UG(Other than BBA) programmes is also through CUET but only for residual seats. For M.Tech. the admissions can be done through GATE/PGCET/CUET(PG) scores.
2	For taking admissions through CUET/CMAT/MAT/CAT/GATE/PGCET do I need to register in IMU-CET portal?
	For admissions to BBA Programmes, the candidate needs to register with CUET credentials in IMU-CET portal. For all other programmes who wish to apply on basis of CUET/CMAT/MAT/CAT/GATE/PGCET scores should apply during Counselling Process. The portal of counselling is different from IMU-CET registration portal and will open after release of IMU-CET rank list 2023.
3	What is the score IMU will consider for admissions through CUET?
	The cut-off for CUET score holders will be decided by IMU after release of CUET results.
4	My CUET result is not declared. What do I do?
	For BBA you can enter the CUET roll number. The scores will be required to be updated once you get the result. In case the scores are not updated the ranks will be formed on the basis of 12 th grades. For UG programmes (other than BBA) the CUET scores will be required at the time of counselling. Hence such candidates need not apply now in registration portal. Similarly for M.Tech & MBA the candidates can apply during counselling for application through non-IMU CET mode.

Best wishes to all aspiring candidates
